**2. Review of Bus/Van Driver List for the 2018/2019 school year:**

- At least one more driver to be sent for approval by August

**3. Other:**

- Transportation agreement for same student from last year to be signed for Mt. View Christian.
- Diesel Fuel problem to be addressed with Luther P. Miller
- Concerns from Mlaker are as follows:
  1. Bus referrals: Brenda Glover expressed concerns that the current referral system is not working due to form getting lost and her not having time to come to the school on a regular basis. It was decided that Mrs. Dice will create an electronic version of the form to be used by way of email.
  2. Activity bus stops. Brenda raised concerns over a bus that stopped at a restaurant which served alcohol. This stop was approved by the principal but Brenda was not informed. Mr. Malaspino stated that no parents or

community members had complained to him, Mrs. Dice or the board. This issue was discussed in the spring and need not be discussed any further.

3. Buses being released at dismissal: Brenda Glover expressed concerns regarding administration stopping busses once they start to leave at the end of the day. Mr. Malaspino and Mrs. Dice stated that rarely happens, we try not to do it but we will always reserve the right to do so.

Meeting was adjourned at 6:56 PM
