

AGENDA
TECHNOLOGY COMMITTEE MEETING
Monday, October 12, 2015
7:00 p.m.

Board Members Present: Mike Diehl, Terry Grove, Pat May

Administration Present: Jeff Malaspino

Staff Present: Christine Keefer

Others:

1. Proposal for iPads

Mrs. Keefer updated the members on the status of the upgraded bandwidth and the proposed a plan to update our internal wireless capabilities using E-Rate funds. A Motion will be placed on the October Board Agenda to approve the application for E-Rate Category Two funding.

Mrs. Keefer was also asked to provide the members with information regarding peak usage of the schools bandwidth along with information regarding a system which would prioritize use within the building.

Mr. Malaspino presented information regarding the status of current hardware (computer laps and iPads) and began discussion on ways to upgrade our existing technologies to remain relevant in the instructional use of technology. The members requested more information regarding the types of devices which would be supported by our network and how they may be used instructionally.

Members agreed to upgrade the wireless capabilities in four elementary classrooms this winter to test the network capabilities. A follow on update for the members has been requested on this project.

Meeting adjourned at 8:30 p.m.
