

Untitled

Thank you for coming in for me today. Homeroom attendance can be found in red folder in binder on desk. I do not have any duties today.

The students should keep their cell phones away (school policy) and passes should be written to go out into the hallway.

All files are on Turkeyfoot Website, Staff Directory, Teachers, Ms. Angela Swan, Useful Links, Substitute 10-15. I am also attaching worksheets to print.

I am also attaching a fun worksheet for busy work if necessary. Plotting points on the cartesian plane to form a Jack-O-Lantern

Period 1 Statistics - print 7 copies, they only have to do Section 2.3 and not #17.  
Mean, Median, Mode and Weighted Mean

Period 2 Geometry - print 24 copies/Mrs. Augustine will be in this class.  
Parallel lines and transversals extra practice

Period 3 Algebra II - print 13 copies/Mrs. Augustine will be in this class.  
Simplifying Radicals extra practice

Period 4 Prep

Period 5 Consumer Math - print 15 copies/Mrs. Augustine will be in this class.  
Long Division. If able please go over a few examples or have Miss Scott do so.

Period 6 Algebra 1 - Co-Teach with Mr. Truskey in his room.

Period 7 Algebra II - print 16 copies  
Domain and Range Extra Practice. Assign peer tutors for those who do not understand.

Period 8 STEM Elementary Library - Assist Mrs. Rugg

I am attaching files. All can be found on Turkeyfoot Website. Thank you again for coming in for me. Please let me know if you have any problems. Have a nice day!

Sincerely,  
Angela M. Swan
